## Dr Phillip Huang

*Your Mentor in Angel Aligner Success*

Dr Phillip Huang has over 35 years of clinical experience in orthodontics and was one of the earliest dentists in Australia to adopt Angel Aligner

Since then he has successfully completed **hundreds** of Angel Aligner cases, ranging from straightforward aesthetic improvements to complex orthodontic challenges in adults, teens, and mixed dentition patients

 angel aligner

# Expert support to unlock success in Aligners

# Individual Case Assessment

Dr Phillip will assess the case together with you and decide whether clear aligner therapy with Angel Aligner is appropriate and if the treatment plan is standard or more complex

\$60
